MARSHALL COUNTY SHORTHORN BREEDERS

Seventy-sixth
AUCTION SALE

Marshalltown Sales Barn

Marshalltown - - Iowa

Announcement

In this, the 76th Show and Auction Sale of the Marshall County (Iowa) Shorthorn Breeders Association, you will find the largest selection of desirable breeding stock to be offered in any sale of the breed this spring.

There will be individuals in both sexes that can walk into any ring and make a strong showing, but most of the cattle are in their working clothes, right off good pasture.

The female offering is the largest and strongest that we have ever been able to present for public appraisal.

We have often had larger groups of bulls but intending purchasers will like the quality of those now in offer. There will be at least twenty calves listed with their dams, making an especially attractive investment possible.

Few breed organizations of any sort survive the years to attain the record of seventy-six public offerings. In fact, we claim without fear of successful contradiction that we are the oldest Shorthorn group in America selling cattle over the block every year, in boom times or bad times, during war or peace.

The very best blood-lines obtainable are included in this catalog and we cordially invite all interested in good cattle to attend this sale.

The footnotes that accompany many of the pedigrees are either supplied by the consignor or compiled from information furnished by him. They will usually be found to be modest and an understatement of the actual quality present.

Show 9:30.

Terms and Conditions of Sale

LOCATION—The sale will be held in the comfortable new Marshalltown sales barn located on South 18th Avenue. This is just south of Main street eighteen blocks east of the Court House. It will be held on Monday, February 23, at 12:45 o'clock. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads. Marshalltown is 290 miles west of Chicago, 197 east of Omaha and 275 northeast of Kansas City.

TERMS—Cash, settlement to be made with clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk as soon as bid off, but will be cared for and loaded on cars or trucks in compliance with instructions from purchaser. Care will be taken to avoid accidents but will not be responsible should one occur.

GUARANTEE—All cattle have passed test for both Bangs and Tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and if, after three months trial by seller he proves infertile, purchase price will be refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred, are sold open and at buyers risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

Sale Manager assumes no responsibility in case of settlement.

PEDIGREE CERTIFICATE—A certificate of Registry and Transfer will be furnished with each lot sold, and an application of Registry will be furnished for each calf sold at foot and each unborn calf sold in dam.

LUNCH—At Sale Barn.

AUCTIONEER—C. G. Mason.

FIELDMEN—Thomas Sherlock of Wallace's Farmer, Clem Larson, National Association, Shorthorn World, Albert J. Hamann, Lyle Haring of Beef Producers.

Few breeders, of any breed, could make a consignment of eight bulls to one auction that would equal in quality the Whitford bulls in this sale. If you want a combination of good color, smoothness and fleshing ability, you will find it here. A Whitford bull topped the 1952 Marshalltown sale, fetching \$700.00, and others were in excellent demand. Intending purchasers will find this years group to equal or exceed the 1952 consignment.

Above bull was champion of the February, 1952 show, and sold to F. M. F. Cerwinski, Rockford, Iowa, for \$680.00. The following six pedigrees are by the same sire. There is a certain prestige in using a son of an imported bull.

Silver Cadet 2680-101. A son of the great young bull by Imp. Iceni Commodore, Evergreen Air Control. We had big hopes for this bull but we lost him suddenly with kidney stones last spring. The fleshing qualities of his calves are exceptional and we are retaining all the heifer calves. Look this calf over for fleshing and weight for age. This bull probably has more of the blood of Imported Villager than any Shorthorn alive today. Pretested and calfhood vaccinated.
